I kept regretting why I wasn't there since I am probably the only one who can somewhat stop Han Seo.

I was worried ... When I heard your wrist was broken, and Han Seo beat you to a pulp ..., I couldn't sleep.

I felt sorry for not being there. I just didn't want to you see get beaten like a dog...

So, Ha Ji ..., please ...

Can you at least make my anguish worth a while ?
I feel liver now. After having to pay the hospital fee, the dictator went berserk and prohibited me from approaching the refrigerator. I am allowed to eat only 3 meals per day...

You were saying ?
It was nothing. Just concentrate on eating.
I was a fool to worry ! She is a kind of person who'd wander around for food even when World War III occurs !
Is Han Seo ... all right ?
Yes, he is fine !
I guess he is having his psycho time, huh ?

If he was really fine, you would have said the opposite.
Han Seo's life itself is psycho.
I won't come up with an excuse for Han Seo's actions as you will not understand why. However ...
I betrayed him first.
I am the one who should come up with an excuse !
I was the one who hurt Han Seo first.

Ha Ji ...
I know.
I know.
Having my wrist broken was light punishment.
That was why he was meaner than usual.
He used a trick because he didn't want me to feel guilty.
He is so caring.
Ha Ji ..., you really ...

Have no idea what is going on, don't you ?
One is not enough.
Caring ?
That's a word that has disappeared from Han Seo's dictionary a long time ago.
This is why you are always manipulated.
Next time you come here, bring two pizza.
I guess I shouldn't worry yet then. She still hasn't gotten the picture yet.
I reckon that she will never get it.

Janimes

Don't you run away !
Let me go ! I am going home !
Hold his legs, bro !
AH, Jeong Hyeop, are you going home now
ROO
Have dinner with us.
No, thanks though. I have to go now. Thanks for the thought.
He is a fine guy.
The only normal guy among Ha Ji's friend.

Where do you think you are going ! You aren't going anywhere until you confess
Search him I saw him coming school with the CD today
Maybe he hid it in his panties
Are you a pervert ! Where do you think you are touching it
Yes we are going to spend a whole night if we have to
You don't have to meddle in bro "Love grade student XP" is one of the best in my collection I am not going to let you play with it
Should I give you a hand ?
Huh ?

Whoa
If you do not confess the location of the CD you will hear cracking sound of your finger bones like music

ou joke
a little too
much
don't you
Fine
here goes
your thumb
crack
Oh
The washroom !
hid it in the washroom
When went there
hid it between
files of towels
Washroom
he says
Oh
DOOT!!

Ah
thanks
Yeah
thanks
No problem
ou are Ha Ji's
brothers am glad
was a service to
you
if you need any
torturing please do
not hesitate to
all me
shouldn't advertise myself
But guarantee professionalism
in that area
Now
excuse me

What was that all about
He was just playing around right
My finger bones blah blah
was really scared
Tell me he was only playing !
We were wrong
Of course no friend of Ha li is an ordinary person

Damn
It's Ha Ji
The Doberman is here
Just like the rumor said she's beaten up
Eh ! So she had a fight with that Han Seo Jang
That's new They were like a couple.
2-5
Ha Ji !

** It's an expression in Korea

It s not already
Are you taking
it off ' Or do
have to hit you
first '
am
taking
it off
She will open
her eyes for my
charm one day
was worried
that you were
hurt enough to
be hospitalized
Oh man
this is
shameful
Even you
know the
news '
But f you think it the
other way it s good
ou now know
the true face of
Sin oo
Sin oo '
ou don t have to be
sorry about not listening
to me
ou be careful from now
on
can imagine if
Sin oo Park
probably summoned
his bodyguards
secretly
Otherwise you
wouldn t have been
lost

Do you want a taste of my fist for spreading a false rumor ?!
Where is he hiding ?! If you don't tell me you are dead
I can't believe I was about to doubt Sin Jae Kyu because of that jerk
Jiang Ae you all right now ?
Seng Sik Park
Are you crazy ?!

www.janimes.com

Are you digging your own grave
You can't call her gang since she lost the fight
No one can stop Han Seo now
Behave yourself
What am I supposed to do then
It's obvious
Aftermath of a defeated gang is miserable
They have to be treated badly by their former subordinates
Hey
Go get us breads and milk
Sure
Give me money
What kind of bread
You have to use your money
If you keep acting like an idiot we will have to teach you a lesson
Sorry
this is my first time having a low-end life in a gang
I will get you what you ask for

- did you expect me to say that, you !@#$!
I am going to report this to Han Seo !
Who has more attendance date him or me ?

Quit over reacting
Even if she was lost to Han Seo you are no match for her
No
We are an organization
We are a team
We have to show her the cruelness of belonging to a team
We have to show her the penalty of not cooperating with the team
We have to make her regret that she did not follow the team's rule
Everyone listen good
From now on if you talk to Ha Ji Kang or even hang around with her will be bullied
Even if you say so

No one has the guts and brave enough to talk and even hang around the Doberman

It s not bad
It s peaceful in some way
Maybe it s beacuse that the pressre is off my shoulders

Dudes guess this must be why they insist to have normal life

Ah ! Sin Uoo !
is your class moving as well
It s athletics class for me So have to get outside in time shouldn't be late since am living a normal life now
Thanks for carrying me to the hospital the other day
Hospital don't know what you are talking about
It wasn't you
don't even like to go near a hospital

www.janimes.com

Huh?
As usual still confident and imposing
So it was nothing to you, huh?
Her smile only provokes me
Something like that is like a normal daily pattern for you, huh?

www.janimes.com

Eh
So
What are you talking about ?
Ahah
the incident that lost to Han Seo ?
Well it did hurt my pride a bit
But it's nothing
The rumor "the best couple" was broken and it's fine huh?
Well did get pushed away from the jang position
But it's not like just one fight would break a friendship
And have no objection about Han Seo's victory

Just like that
huh

Did get on your nerve again
Nope
Wait in the classroom afte school will pick you up
Their bond is too strong
So what I've done was completely useless to break the bond I feel like dealing with Aram's case again
Even after being beaten badly simply forgets about it Such stupidity

www.janimes.com

feel like am being enveloped in ominous sensation
As if its deep red tongue is swaying and waiting to sallow me

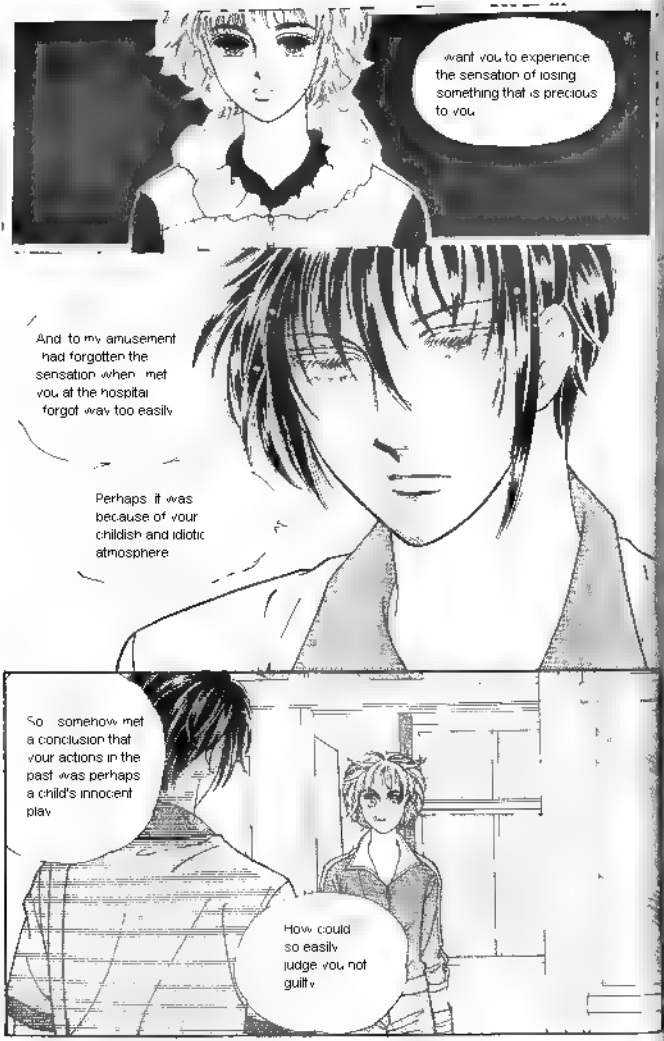
Sin Uoo ?!
Hey
what's wrong?
Your face is
pale
Destroy
Destroy all

There is only one way to get rid of this bad feeling

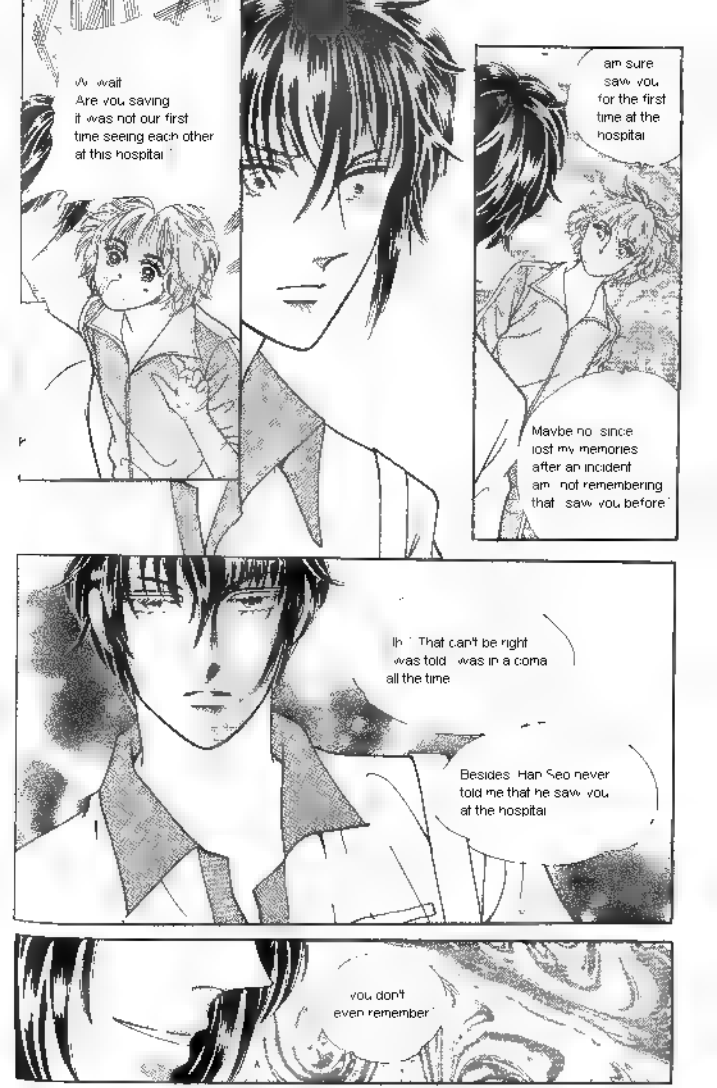
www.jaishes.com

Thunder
hate thunder
It's only you
thought you
were a ghost

You are afraid of something
a horror movie characters ghosts draculra and the like Something cannot deal with my fists is no good
I've always thought of you and Han Seo Jang
I've repeated the scene for hundreds of times and tried not to forget about it
Your speech and your behavior at the moment
Yes that is what want



want you to experience the sensation of losing something that is precious to you.
And to my amusement had forgotten the sensation when met you at the hospital forgot way too easily
Perhaps it was because of your childish and idiotic atmosphere
So somehow met a conclusion that your actions in the past was perhaps a child's innocent play
How could so easily judge you not guilty



Wait
Are you saying
it was not our first
time seeing each other
at this hospital
I am sure
I saw you
for the first
time at the
hospital
Maybe no since
I lost my memories
after an incident
am not remembering
that I saw you before
Uh That can't be right
was told was in a coma
all the time
Besides Han Seo never
told me that he saw you
at the hospital
you don't
even remember

This is funny
This is really
funny
our innocent-like
face is due to loss
of memories
Oh
Home
Let's go home
I hate this kind
of weather
Loss of
memories

ou should be haunted by what you've done for eternity. But you've forgotten everything !!
Somebody should have left an umbrella here
Damn they are all locked guess have to steal one from Han Seo s locker
Found one This one should be big enough for both of

www.janimes.com

하지만

f it hit my head
my skull would
have crushed

You too enjoy dangerous games
Yeah maybe I went too far
You were playing right
Obviously

Let's let's go
It should be raining
soon
It's overlapping
again
Whenever remind of myself
that face am enveloped with
uncontrollable rage
But when actually get to
see through those eyes
 have a tendency of calming
down
That is because her eyes
often overlap with Aram's

Maybe it's because of rain. The seniors after classes is done for the day already.
Why... Her appearance is not even close to Aram's.
But our school is easier on them. Some schools hold them until 10 o'clock.
But if I stare at her there are similarities.
So similar that
often grow an urge to acknowledge this illogical imagination.
**After classes
In Korea, some high schools hold their students until late in afternoon in order to get them study. It usually does not result good grades. But parents like their children locked up in a safe place

Stores are closed
And one of my
wrist is unusable
picked right time
I see
Damn
hate getting
soaked wet by
rain
When I run
toward them
you run ok
Don't get stoned
and not run away
like before
Hey

www.janimes.com

f you have a brain shouldn't you have doubted at least once by now
Why do you always act out of ordinary. The chance of me being not involved in this is only like one percent
Are you trying to protect me for that one percent

She probably knows it
is me. Approaching to
someone who always
hurts her such stupidity
KOKON
have no chance

under this condition
better run to
downtown
and hide there

Just take her home and let her sleep
Looks like she is a kind of person who sleeps more than usual

Get up
Get up before kill you, huh
Who the
Ah Sin-joo
am in a hospital
Was really carried to a hospital

You were hit by a car right
You collapsed because you were hit by a car
Well
I fell because of loud thunder
Did it looks like I was hit by the car
Of course it did
Why did you pretend that you were unconscious
I was embarrassed

such a big deal about
it and called ambulance
So was pretending
and fell asleep at some
point

Since you came lend me some money lost my bag
Were you trying to rape someone
What are you doing here Don't tell me you came here because of that bruise
got this bruise after came to the hospital
don't deal with such crappy crime It was an attempted murder

Huh?
got beaten right before could kill someone
Who were you trying to kill ?
Some stupid bitch
Stupid enough to grow my urge to kill
Can you move your eyes away?
Your sight feels kind of erotic
You've already found someone who you are interested enough to kill
That's good
It's unexpected though
You are the dandelion type guy
So I figured it'd take much longer for you to move on

It was the guilt
It was what made
me to refuse
what was
coming to me
A sincere
heart huh
Do look
like that to
him
I moved on so quickly
I'd feel sorry for someone
who died right in front of me

That's weird maybe I've become insane
If you are insane no one in this world is sane
Just found the baby's sleep face very sexy
Pure as usual

www.janimes.com

No wonder I've liked him since the beginning
Of course! Of course That's the kind of person I want Aram to be with
The way she sleeps looks like an angel She looks so much alike Aram
es as if she was reborn
Oh my - My Areum is sleeping
Shh don't wake her up

Who do you think you are bumping into ?
Did you place a mortgage on your eyes or what

Sorry I wasn't looking
our eyes obviously don't do what they are supposed to do Get rid of them will help you
Han Seo ! Stop !

OK
ou are relieving stress in the morning
Shame on you
ou came to school after another 10 days and this is what you do
Go by the rules you told me

Did you play something with out me
Or with a brain like yours perhaps you actually haven't figured it out Or to anyone s amusement you may be a very wicked person
Don't apologize It itches a bit but it s not a bad experience tell you

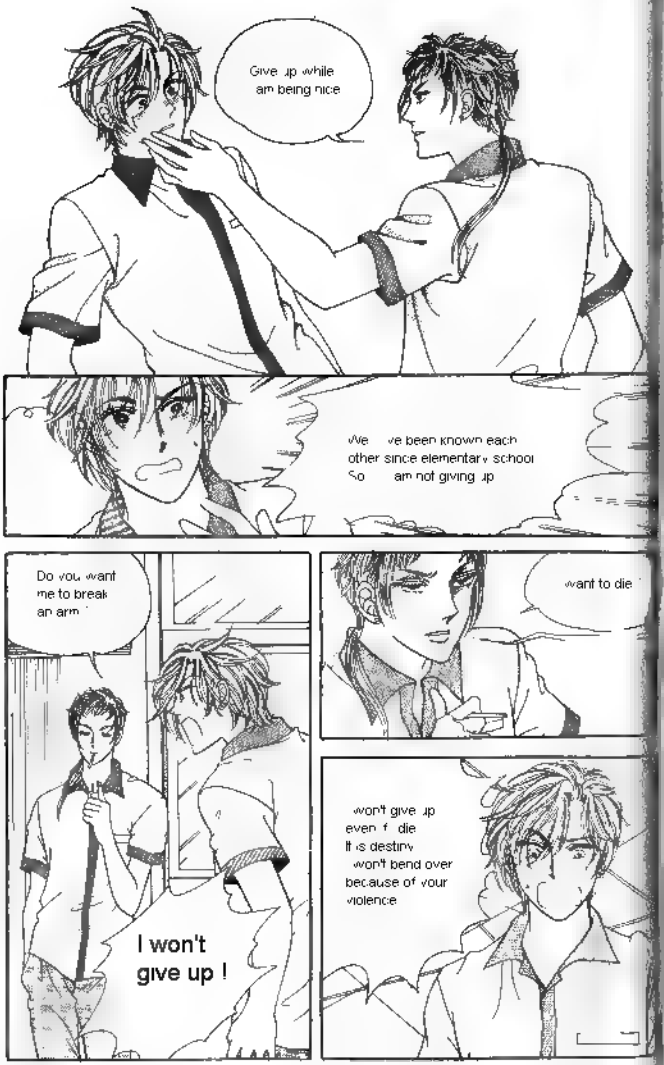
Sir Joo Park would
put up someone like
yourself as a spy

am not a spy anymore
Then what are you doing in front of Ha Ii's class
Just
What you fell for her
Oh man this is pure comedy our taste is to be questioned

How can you fall for someone who is devoted to eating 365 days and night and whose only hobby is working out
You are really a crazy funny bastard
Look who's talking
I don't think you are eligible to say that
Don't say that Hayali is different from someone who throws sympathy like tissue and bully people
It's that the way she sees the world is so pure that it makes her simple-minded
Oh my
so you did really fall for her
But I am sorry to inform you that I do not like flys



Give up while I am being nice
We've been known each other since elementary school So I am not giving up
Do you want me to break an arm
I want to die
I won't give up !
I won't give up even if die It is destiny I won't bend over because of your violence

www.janimes.com

Sin Joo is absent again it's been 4 days
He must be weak He was showered by rain a little bit that day is that why he is skipping school proudly
Well I guess I can visit his home proudly then

No wonder the seoul is having a serious problem with housing
am Sin Joo s friend I came here to see him I heard he s sick
need for you to visit him Please go

have to see
him open
the gate hey
Get out of
the way
Open the gate
this is minister Lee

I've heard a lot about Sin Joo
I've heard you've trained him to be your heir
It must be false rumor
He is only a high school student
Every individual has their places
I have no intention to select my son who hasn't even proven his talent as my heir
Everyone knows that you choose people by their skills not their background

www.janimes.com

ou can step
on my foot
harder son
As you
wish
Ohoh
such
coldness
He s finally
back to
normal
must be

The minister is here Do not make a scene
apologize sir We will get rid of the intruder ASAP

Let go of me
told you I am
not an intruder
I am Sin Joo's
friend
My friend
Get her out
of here !
No way would
Such a rowdy
be friend of
my son's !
Damn you - !
Are you just
going to ignore
me ?!

What are you doing ? Get her out of here
they even come to the house It's time to get some bodyguards here
must say that am some what envious It's a penalty for having a good son
It's all because he transferred to some 3rd class high school Even a rowdy like that calls itself a friend
She's not a friend
Of course not

She is my girlfriend
두다닥!
탁

Sir
where are
you going
Where did
the girl with
her arm in
a plaster
cast
Ah
So she was
your friend
She went right
along the fence
don't know who
hit her but she
was grasping her
stomach
It s
repeating again
swore to myself
that f you ever
come back I'd never
do anything to hurt
you even f you
come back without
memories or
consciousness

But always it is me that hurt her
As long as you exist I swore that I will let no one hurt you
[sigh] The intensive training I received since I was young my poker face wouldn't allow me to send the messages I want you to know
made you cry again

So you knew
When was
pushing you
put few
under my
shirt
What a
cheap guy
you are
Your family
is rich
You didn't have
to follow me
to get them
back
only ate two
Take the rest

Are you a human ?!

food even under that
situation ?!
Can't you show some

didn't know why Aram Han
was so sensitive about
being called dog 'Kang Ah li'
Are you
a masochist ?!

It was you
for the whole time

Ih
They are coming together
They suddenly look close Sin looks even smiling
So you are going to attend the training hall during summer break
Yeah they've got a helmet specially designed for my head also

www.jaimes.com

The master of the hall is a fan of mine. He said I am welcome to come and vent stress anytime I want
Then you don't have to attend the gathering ?
Hmm it's time to initiate a small plan
have to show up Just because I lost to Han Seo it doesn't mean I was kicked out of the gang
Today's hot At a day like this It'd be best to ride a chopper with Han Seo and speed through wind
Last year we went traveling by bike But I guess it won't happen this year
Han Seo seems to be pissed The dude is scary lately

How could you in front of me
What
Traveling by bike ?
Dumbass bitch !
What s wrong with you
You don't know what s wrong
That s worse

TOK
TOK

Are you crazy
Witnesses are

Do not attack

Are you ok
Of course
This is nothing He used to throw objects that could easily crack and smash my skull
This is the last you will do such a dangerous play on her
Look who is talking don't want an advice from someone who was planning to do something much more bigger
our target is a woman Adjust level of your play

Her wrist
Wasn't that a part of your play
움찔-

Look at you full of guilt
So you have finally figured out about Aram Han haven't you

Ou

Ou knew
Ou looks like you have a complaint Did you expect me to teach you like an elementary kid
It couldn't have been more obvious That kind of bitch is not everywhere
부들
Why didn't you say so I would have treated you like an elementary kid

Shall we be elementary kids
Something that elementary kids are good at is informatives
Should I tell your pet everything about what you've done
Like those you hires to attack her before you transferred to here
Like the event on riverside

Sin Joo
All those things are something your pet would love to hear
I am going to my class have to prepare for an upcoming exam
Sin Joo ?

What's so funny
didn't know you
had a pet always
thought you grew
animals to eat
킥킥

Becoming scared of a stupid friend I've wasted my life
am going to study too
Why am running away ? Have become scared of him after the fight
Let it go Han Seo
f Sin Too did find out there is no space for you to meddle in
don't want to see Ha li getting hurt for no apparent reason anymore Even f you do tell her everything she won't change

ou know
how Ha li is
It s no use
Shut up
I know better
than you
Once she has her
eyes on someone
that is it
I know damn well
that she won't even
think of a second way

She is an idiot
But she is one of its kind !
There is only one such a person in this world
So no that is why can not give up

www.janimes.com

cannot forgive
what I've done either
And if Hali finds out
f she finds out
what has been
happening to
her was all
caused by
me
am going to lose her
Time s over
The person on
the end of each
row will take
papers and
answer sheets

I am going to lose her completely
Trust me I've beem telling you to be careful about Sin Too Today you even came to school with him
!@#$ ou want to die ?!

Please trust what am telling you am doing this while risking my life to the charisma guy Why are you refusing to believe
You are Sin loo s friend Aren't you ashamed of badmouthing your friend
He is not my friend We know each other because of business
think he approached me to use me was alone at a party one day He came to me and started a conversation
just thought that knew him elsewhere So just talked back Next thing know he became "a friend "
Damn he must have known that don't remember people s face well and abused my weak point
People call that dumb

Go away before hit you have to go study
Ha li
didn't want to bring up evidence But you leave me no choice
Look at this photo
Look at the bodyguards behind him
Look at them closely
They are hired by Sin Joo's family

Look at this man. He was one of the people who attacked you.
Sin Uoo was the one who ordered them to attack you !
Why are you hiding ?! Go out there and defend yourself

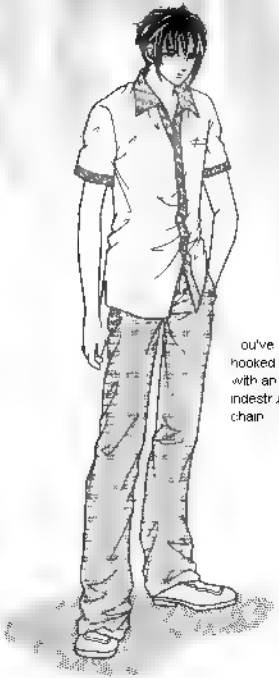
ou are a kind of
peson who makes
situation lean to
you even if you
have to come up
with lies
Go out there
and defend yourself
before you lose
Ha , Ha Ji !
What are you

www.jaimes.com

Are you crazy ?!
The taste sucks
Bring something that tastes better next time
Are you out of your mind ?! even showed you critical evidence Why are you refusing to see the truth ?!
He Jiin

She knew
There were some guards who attacked her at home when she came over
No she probably knew when I was full of myself

ou are
very wicked
Ha Ji Kang



ou've
hooked me
with an
indestructable
chain

like you.
He ji

know

Above scene was not my imagination I've done it at last

But
What's with such a weak reaction?
I am not kidding. I am serious. I really do like you.
I know. Wasn't that why you went out on dates with me?

eah
that s right
What is this
My stomach
must be upset
The summer
break begins
tomorrow
Let s go out
for dinner
tonight
Ah
not today

Yeah
Yeah think it's upset
But can a heart be upset ?
Tomorrow then
You know the fight with Seong Nam high school right ?

know
The date was set on the date when I get rid of my gyps
You are going on behalf of Han Seo Be prepared
It must be your life You came up with this so that won't be bullied right?
Don't worry about it I am not ashamed that I lost to Han Seo He is indeed stronger than me in every way

It's just that
My style is break one or two bones if agreement before start
cannot accept Han Jae-il the moment
If he does it again we can't think that he is Han Seo

Han Seo
Han Seo who know as a friend would never do that

That side of you has been causing all the problems we have been facing
You don't accept the reality
To Han Seo, he has never experienced the kind of you

바앗
끼익
미끄럼틀

Hey
get up
Damn
it's no use
He is
completely
out
That is
not even
a woman
When I heard
she lost to
Han Seo Hang
I thought she
got weaker

If you admit that you've lost go away now
Let's just go
Do you think Doberman will just let us go after a fight has begun ?
Once they bite they bite until the end
All right Let's do it
Oh you guys are gonna fight until the end ?

Just knock your kill and go huh
Before you get hurt more

Shit
am really pissed off

@#$%
You are gonna
kill you all
my
eyes!
Run
Come back
here !

You guys let me fight alone ?!
You are gonna pay for this now
We are innocent Jiveon Hyeop told us not to join
Yes really he told us not to

Jeong Hyeop did ?
ou remember the second place right ? Go there and fight Few of us have already started a fight there
Ah yeah
We are going
What was I really being bullied ? Is that why you let me fight alone ?
Not really Just wanted to see you go berserk It's been a while so
Han Seo said that I'd have believed him But you are Jeong Hyeop his confess already
www.jaimes.com

It's not about bully
You lost to Han Seo
too easily. The guys
were questioning
your ability.
They were even
beginning to wonder
if you were really
a puppet. So I showed
them what you've got.
No one will bother
you for a while.
I can't prove
to be strong. I can't
make friends.
Don't
exaggerate.
But you are a very
cautious person.
If you meant to do this
it must have been really
bad.

thought could be their friends I am not a gang any more So when lost to Han Seo somewhat felt relieved guess was wrong
You've become too spoiled
Jeong Hyeop Ne go They may cross the line if you don't control them
Well you now have someone to treat you like a baby So it's no wonder you've become too soft
Handle them properly

ou want
to do it again
ou must have
a lot of stamina
left
This is the
why we
communicate

If my wrist wasn't broken at that time..., I wouldn't have lost that easily ! Admit it ! You acted like a coward !
I won't be that easy this time !
I told you that was my style !
Don't you ever learn?

This is why you are no match for me.
To you, one on one fight is only a play !

You ...
Ugh -
